### **CMC to Help Preserve Finksburg's Oral History**

**Westminster, Maryland (November 14, 2007)** ó In an effort to preserve a valuable part of Carroll County's history, the Community Media Center will be taping a roundtable meeting of long-time Finksburg residents who are interested in sharing memories of their home town. The event will take place on Thursday, November 15<sup>th</sup> from 7-9 pm at Sandy Mount United Methodist Church.

óWe are excited for the opportunity to capture these oral histories before they are lost,ö said Executive Director Marion Ware of the Community Media Center. óAs older people pass on, we lose this glimpse of what our towns and communities used to be like. It is important to preserve these memories for future generations of Carroll residents.ö

The Finksburg Planning and Citizen's Council is hosting the meeting. Contact information can be found at their website, [www.finksburg.org](http://www.finksburg.org), or at 410-833-5620.
