July Media Workshops Offered by CMC

Westminster, Maryland (July 1, 2010) – The Community Media Center (CMC) is offering the following free media workshops during the month of July 2010.

CMC Orientation – Getting to know the CMC

July 21 at 6 pm at the Community Media Center

The community is invited to learn about your local PEG access center and how you can produce and edit video for television and the web. Orientation covers how to become a certified producer and the multiple uses of public access.

Basic Certification

July 24th at 9 am at the Community Media Center

CMC members are invited to attend the Basic Certification workshop which includes learning to operate digital video cameras, audio equipment, and non-linear video editing.

Carroll County History Project Workshop

July 24th 10 am at the Community Media Center

The CMC offers this training on a monthly basis that includes interviewing techniques and camera skills. The organization also coordinates interviews between History Project volunteers and Carroll County residents who are interested in sharing their memories for the archive.

Social Networking Workshop – Using OurCarroll.com to network in the community

July 24th at 11 am at the Community Media Center

Individuals are invited to learn how to upload digital media including photos, videos, audio clips and blogs to Carroll County's social media site.

Workshops, except for Basic Certification, are free and open to the public but registration is required. The Basic Certification workshop is offered at no charge to members of the Community Media Center. For more information or to register, please call 410-386-4415 or email info@carrollmediacenter.org. Additional information can be found at www.carrollmediacenter.org.

About the Community Media Center

The Community Media Center is a 501c-3 non-profit organization serving the residents and nonprofits of Carroll County, Maryland. We operate the county's Public, Education, and Government Access Center. Our mission is to provide the facilities, equipment, and technical support necessary to allow everyone to affordably access today's dominant communications technologies. For additional information, please visit www.carrollmediacenter.org or call 410-386-4415.
